We are supporting our client [TradeCore](#):

TradeCore is committed to delivering smart and efficient fintech products and services, with the intention to revolutionise the market by making life easier for all who work in finance, and our industry, fintech, is among the fastest-growing worldwide! We are looking for a:

QA Automation Engineer/Team Lead

Why do we need you?

We're growing our team and looking for an experienced QA Automation Engineer who will be working on our flagship product, BrokerIQ, used by financial services companies across the globe. This is a leading CRM solution that combines client onboarding, ID verification, payment processing and client management.

Ideally, you are a detail-oriented, reliable and a proactive leader with the drive and passion to motivate teammates toward shared goals. Having exceptional communication skills, both written and verbal, combined with being a team player on whom other teammates can lean on, you can easily organise others while ensuring that the global quality of whole BIQ system is on a high-quality level. Alongside being confident and analytical, you are able to stay calm in stressful situations and help others achieve the same.

In order to be successful in your role, you should have:

- 1+ year of experience working as a Team Leader
- 2+ year of experience with writing automation Selenium scripts
- Experience with Python development

It is considered a plus if you have knowledge and experience with:

- Postman
- Git
- Jenkins
- BDD
- Understanding of Stock trading

We are offering you:

- An opportunity to skyrocket your career, work on cutting-edge FinTech products, and collaborate with great people who will always be there for you,
- A competitive salary, based on your experience and performance,
- A private health insurance and a FitPass card,
- A budget for professional advancement, as we understand how important it is to work on expanding your knowledge,
- 22 days paid vacation,
- Friendly offices in downtown Belgrade with a fully stocked kitchen,
- A paid lunch on Friday.

As part of the TradeCore team, you have the opportunity to contribute, learn, improve your skills and expand your potential. Are you ready?

If you think we are a fit, then please submit your CV in English: nina.djordjevic@jakalounge.com.
